Dear Parents and Carers

This week we will be sending home to you, a copy of your child's 'Next Steps'. We will be working on these steps over the next half term. Please feel free to comment and return the form if you wish to. If you have any questions about them, we would be happy to talk to you at a convenient time.

Our topics this term are 'Winter' and 'Food from Around the World'. We will be focusing on the countries, India, Poland, China, Italy and Sierra Leone. If you have any resources from any of these countries that you would be happy for us to share with the class, please bring them into school. If you or your child has a special connection with another country we would love to hear about it and perhaps taste some food from that region. Please speak to your class teacher if you would like to get involved.

Thank you again for all your support.

Yours sincerely,

The Early Years Team.

We seek to be a learning centre of excellence at the heart of the local community, fostering the intellectual, spiritual and emotional development of all who play a part in the school, looking to follow the teachings of Jesus in all we do
