

Computer and Internet Policy

The school's computer network is well established and plays a big part in the education of children at St Margaret's School. We have developed the following ICT Policy for staff and children to provide rules and safeguards for appropriate use of the network, internet and Moodle.

It is a requirement that for your child to gain access to the internet you read carefully, share the information with your child, sign and return the attached slip.

For the child:

I agree to follow the school rules on use of the network and internet.

Child's Name:- _____

Child's Signature:- _____

Date: _____

For the Parent:-

As the parent or legal guardian of the child named above I have read and shared the rules with my child. I understand that children will be held accountable for their actions. I also understand that, although the school will take reasonable steps to ensure that my child is appropriately supervised, according to age and responsibility, I will not hold the school or County Council responsible for inappropriate material, which my child may obtain, despite such reasonable supervision. I accept responsibility for setting standards for my son or daughter to follow when selecting, sharing and exploring information and media. I agree to report any misuse of the network to the school.

Parent's Name:- _____

Parent's Signature:- _____

Date:- _____

Your son or daughter may be involved with school events. We often take photographs and moving images of events. The photographs/moving images may be displayed within the school, the school website, Moodle or Filmit website.

IMPORTANT

If you do not want your son or daughter to appear in photographs/moving images please contact the Headteacher via letter.
