

English Learning

In English, we will be looking at poetry. We will learn:

- to analyse different genres of poetry
- to perform the works of well-known, established poets
- to identify the key elements and present them in a different form

We will then look at writing to persuade and inform. We will learn:

- to gather evidence to support an opinion
- to use a range of resources to plan a written argument
- to write persuasively for a given audience

Mathematical Learning

This term we are looking at:

- Fractions (multiplying fractions by whole numbers and fractions *and* dividing fractions by whole numbers)
- Shape and Measure
- Data analysis including pie charts

PSHE Learning

We will be learning about Cyberbullying.

French Learning

We will be looking at different types of food, restaurants and menus, shopping for food and expressing likes and dislikes.

Scientific Learning

Our topic this half term is electricity. We will be focussing on:

- Different symbols
- Brightness Investigation
- Building circuits

Art Learning

We will learn about Pop Art, in particular the work of Andy Warhol.

Music Learning

We will be using percussion instruments to enhance our poetry presentation.

Faith and Wonder Learning

We will be looking at Hinduism.

Computing Learning

We will be using Google Drive to draft, edit and improve a short story for the BBC 500 word competition.

PE Learning

We will be improving our fitness through circuit training in Indoor PE. In outdoor PE, we will be using invasion games to improve our ball handling.

How can you help?

- Continuing to read regularly at home with lots of discussion about the book
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings
- Encouraging your child to complete homework tasks in their SATs revision booklets

Events/trips planned for this half term:

- Hedgehog expert coming in to visit 28-29th January
- Book Fair 29-31st January

If you have any resources you are happy to loan to us or have any particular knowledge about our topics, please contact your class teacher.

Please come and see your class teacher if you need any further information or have a query. We are available at the end of the day on the playground.

Happy New Year to you and your families. The Year 6 team

Year 6 Learning

Spring 1

Welcome back! We hope you all had a lovely Christmas time with your family and friends. Last term was very busy and exciting from our residential at Foxlease through to our fantastic production of Christmas 1914. We hope your children enjoyed our trip to the D-Day Museum in Portsmouth and that this supported their learning about the Battle of Britain. Further educational experiences were on offer: The Great Project; Johnny Gillett; Prayer Week; Money Sense's workshop and a delightful Carol Concert to round off the term.

Now we look forward to a new year and a new term.

Spring Term Topic: UK, Sussex, Brighton and Devil's Dyke (Geography focus)

We will be learning about:

- Ceremonial Counties of England
- Topography of West Sussex
- Landmarks of Brighton
- The history and unique geography of Devil's Dyke

We are planning to visit Devil's Dyke on 17th May 2019 and letters will be out later this term in regards to this.
