

## English Learning

In English, we will be looking at autobiographies. We will:

- Read and analyse autobiographies from established writers
- Write about our own experiences in the format of an autobiography

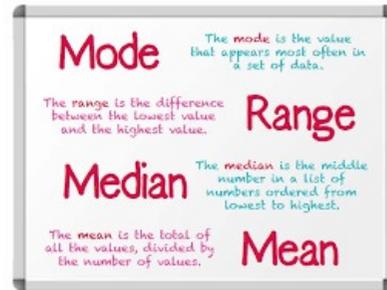

We will then look at writing to persuade and inform through travel writing. We will:

- Look at the language of travel brochures
- Write our own persuasive piece of travel writing for a given audience

## Mathematical Learning

This term we are looking at:

- Mean, mode and median
- Reflection and translation
- Reviewing Key Stage 2 maths learning

## PSHE Learning

We will be discussing the media portrayal of Body Image and harmful substances

## French Learning

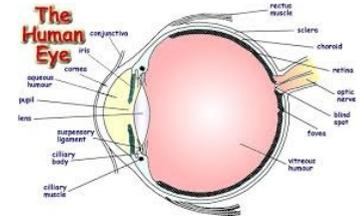

We will continue to look at different types of food, restaurants and menus, shopping for food and expressing likes and dislikes.

## Scientific Learning

Our topic this half term is light. We will be focussing on:

- How the eye works
- Light and shadows
- How light travels

## Art Learning

We will continue to focus on Pop Art and the work of Andy Warhol. We will use our knowledge of colour and design to create a fabric collage pouch for sunglasses or a mobile phone.

## Music Learning

We will be listening to music from the 60s and 70s, and reflecting on how it influences music today.

## Faith and Wonder Learning

We will be looking at the Easter Story and Salvation.

## Computing Learning

Once our 500 word stories have been completed for the BBC competition, we will learn about spreadsheets and use them to record our own data.

## PE Learning

At first, we will complete our 'cluster multi-skills competition' and then Debbie Webb from Activ8 will be working with us on relaxation and mindfulness techniques. In Outdoor PE sessions, we will work at improving our Net and Wall skills.

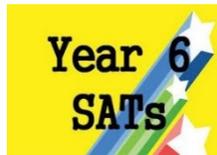

### How can you help?

- Continuing to read regularly at home with lots of discussion about the book
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings
- Encouraging your child to complete homework tasks in their SATs revision booklets
- Come along to our Homework Club sessions on a Wednesday after school where all the team will be present to support you and your child's learning

### Events/trips planned for this half term:

- World Book Day: Thursday, 7<sup>th</sup> March - come dressed as a book character
- SATs Information sessions for parents:  
5.3.19: 9am-10am; 8.3.19: 2.15pm-3.15pm; 19.3.19: 6pm-7pm

If you have any resources you are happy to loan to us or have any particular knowledge about our topics, please contact your class teacher.

**We would be grateful for fabric for the art project.**

Please come and see your class teacher if you need any further information or have a query. We are available at the end of the day on the playground.

Enjoy the unseasonal sunshine!      The Year 6 team

## Year 6 Learning

### Spring 2

Hello! We hope you all had a lovely half term enjoying the sunshine with your family and friends. This term is a busy one academically, whilst we try to keep a balance between working hard for the forth-coming SATs and enjoying the start of Spring. Already the children have successfully completed a practice SATs week, with smiles and a sense that this is not as daunting as expected. Children will be given their results next week and we will be happy to discuss these at Parents Evening.

### Spring Term Topic: The Devil's Dyke (Geography focus)

We will be learning about:

- The unique geography of Devil's Dyke and how it was formed
- The history of Devil's Dyke, including some intriguing myths
- How to create an engaging, informative record of our learning

We are planning to visit Devil's Dyke on 17<sup>th</sup> May 2019 and letters will be out shortly in regards to this.
