

## A guide to home learning in Years 1 and 2

We want you to enjoy your learning at home. We have organised your lessons so they are just like those that you would be doing at school. There is a timetable for you to follow each week which will be uploaded onto Seesaw each week. It will look something like this and it will be on Seesaw at the beginning of each week for you to look at, think about and plan your day. It will include details of the lesson and activity on the timetable.

Year 2 Home Learning – week beginning 11<sup>th</sup> January

<b>Monday</b>	<b>Maths</b> <i>Sign in to Google Classroom for a live lesson at 9.15 or 10.00.</i> 	B R E A K	English	L U N C H	PE	<i>Sign in to Google Classroom for a discussion about today's learning and a story at 2.30</i> 
<b>Tuesday</b>	<b>Maths</b> <i>Sign in to Google Classroom for a live lesson at 9.15 or 10.00.</i> 		English		Topic	
<b>Wednesday</b>	<b>English</b> <i>Sign in to Google Classroom for a live lesson at 9.15 or 10.00.</i> 		Maths		Art	
<b>Thursday</b>	<b>Maths</b> <i>Sign in to Google Classroom for a live lesson at 9.15 or 10.00.</i> 		English		Faith and Wonder	
<b>Friday</b>	<b>English</b> <i>Sign in to Google Classroom for a live lesson at 9.15 or 10.00.</i> 		Maths		Circle Time	

On your timetable you will find three main lessons a day with English and maths in the morning and one other subject in the afternoon. There are lots of other things throughout the day too that will keep you busy! We have planned break times and lunch times on your timetable. It is important that you move about and keep yourself active during the day.

In the morning and in the afternoon you will be able to join a live lesson which means that you will see one of the teachers from your year group who will talk to you and your year group about the work you will be doing in English or maths and give you some help with this. Year one and two lessons will both start at quarter past 9 each day and the same lesson again at 10 0'clock. You only need to watch one of them as they are both the same!

In the afternoons, we will be having a story and end of the day session where we will be enjoying a story together and also going through some of our learning from the day. You will be able to see how you have got on with some of your work. For both Year one and two this will be from half past 2 until 3 0'clock.

We will be using Google Meet for these live sessions and you will find the link to this meeting in your year group Google Classroom. Have a look at the guide to Google Meet before you click on the link so you know what to do.

Work as hard as you can each day and try to complete the activities that are set for you. Don't worry if you don't get through everything each day. Do not print out any of the resources but look at them online and, unless told otherwise, write down your work in your books that you have at home.

Show us and celebrate what you have achieved each day by uploading a piece of your work/photo of it on Seesaw. We will love to see what you have been doing at home.

We know that learning is going to be a bit different for a while but we know you are going to work hard and try your best. It will be lovely to see all your smiling faces on the screen until we can all meet together again in person.

Don't forget that if you have any questions then your adult can email your class teacher using the class email account ([classname@stmargaretsprimary.org.uk](mailto:classname@stmargaretsprimary.org.uk)) or type a question on Seesaw.

Have fun and we look forward to seeing you soon!

Year 1 and 2 teachers
