Angmering Mile 21st September

14 KS2 children from St Margaret's came along to the first sporting competition of the year at The Angmering School. With perfect weather conditions for running, the children were all keen to get started. After listening to the new course layout they eagerly made their way to the start line. There were over 100 children lined up from all the local primary schools.

All St Margaret's children made a great start and set themselves near the front of the group of runners. Due to the excitement of competing many of the children went off very fast, but soon settled into a secure pace.

Before the end of the first lap, Bertie had overtaken the 'hare', an Angmering student who was showing the way. His pace was fantastic and the other children were struggling to keep up with him.

During the second lap it was clear we had a number of very fast runners and all children from St Margaret's came in with great results.

After totalling all the scores the winners were announced with a lot of cheering from St Margaret's. Our boys team came 2nd and our girl's team came 1st. Due to the effort of all our runners St Margaret's came 1st overall taking the first trophy of the year!
