Time To Dance Showcase

Covid has had such an impact on dance and performing arts over the last two years so it was with great anticipation that Activ8 Dance troupe took part in the Time To Dance show at Worthing Pavilion on Wednesday 30th March.

This was the first time performing for most of the girls and they really did an amazing job, performing two dances in front of an audience of hundreds.

The dedication they showed in their practice was obvious in their performance and we feel very proud to have been represented by them! Big thanks to Debbie and Charlotte from Activ8 for their great choreography and teaching.

Natural Born Performers!

On Sunday 20th March, Florence, Ana, and Ava-Rose from Year 4 performed at The Windmill Theatre for The Charlotte Reader Dance Showcase. It's the first time since 2019 that they've been able to perform in front of friends, family and members of the public. The show was a resounding success and the girls were amazing - Mrs Glossop also featured performing Tap but we were not lucky enough to get a photo - next time!

UKRAINE FUNDRAISING

As you may know the school recently raised an incredible amount of money (over £750) to help support the Ukrainian families soon to arrive in the area. Some of the money raised went to a local resident from the Ukraine who was making a solo trip with humanitarian aid and supplies. The school donated a generator to help support those displaced by the current situation. We thank ALL our families and staff who have been so generous with their donations, and displayed such community spirit.

Cerys, from Amberley class, finally managed to perform her show with Sussex West Guide Choir and Rustington Community Choir - covid hit twice so this was 3rd time lucky in St Peter and St Paul's Church Rustington. Cerys was the only child singing, the rest were adults (including Mrs Glossop, see if you can spot her). Even with an eczema flare up and a bit of cold she did amazingly!

Well done Cerys!

Joel (Badger class) and his father recently rescued a baby owl which they found in the woods during a weekend walk. The owlet (which was identified as a tawny owl) was without a mother and needed help so they took the him to a rescue centre so it can be looked after, learn to fly and gain strength before being released . Joel named him Theodore.
