Junior Restaurateurs

Brother and sister teams, Sophie & Ethan and Charlie & Isobel spent most of their Bank Holiday Sunday helping to serve 20 older members of the community Sunday lunch.

They designed and printed the menus, set the tables, served the drinks a roast beef dinner, made tea and coffee and helped clear away after.

They all chose to wear their school uniforms so they could look smart and had lots of compliments on how polite and helpful they were.

They are looking forward to doing it again next month! Great work team, we love that you are giving back to the community!

Wellbeing Book Gifts

Last term our Year 6 children voted on which areas of wellbeing they wanted more information on. As a result of this information, Mrs Gates, our (Children & Family Support Worker in school) gifted each class a specially wrapped book to open. These will live in their classroom reading corners for all to enjoy now, and in the future.

Footie Fever

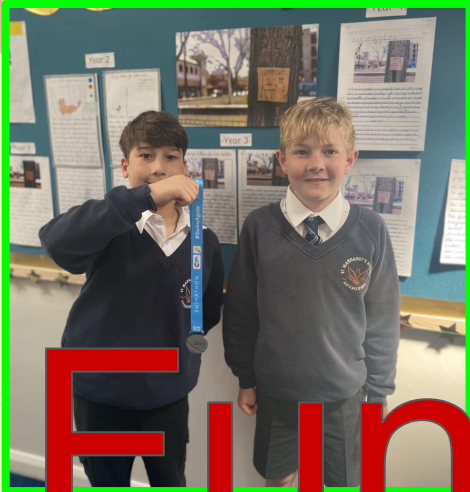

At the start of May, Oliver (Ash) played in his first football tournament for Rustington Otters U6. "He played with an older group who are all in Y1, and he performed really well! He defended very well, making lots of good tackles, and he even managed to score a goal in their last match!" Well done Oliver! One to watch for the future!
