Dear Parents and carers,

We are always keen at St Margaret's school to support local and national charities and we know at this time they are particularly in need of our support. We raised over £300 for Turning Tides with our Harvest non-uniform day earlier this week.

Friday 15th October: Crazy hair day

We would like the children to create their own crazy hair style for this day. This might involve using different and/or extra hair accessories, applying a little hair gel or spray. The crazier, the better! However, we do ask that the children do not use hair dyes as we all know that these are hard to wash out! We would ask that the children wear their school uniform as normal.

We are holding this fun event to raise money for MacMillan Cancer as our normal cake sales can not go ahead at this time. We ask that the children who would like to participate bring in a small money donation (we suggest a £1) which we can collect up to send to this very worthwhile charity.

Thank you so very much for your support of charities to help them continue with the vital work that they do.
