Dear Parents/Carers

Welcome back to the new term!

I hope you had a restful summer break. There will be a full newsletter next week but I just wanted to remind parents and carers of the drop off times and waiting areas.

We are keeping the same system as last year in order to minimise congestion and would ask you to keep social distancing where possible.

Class	Year Group	Start and finish times	Morning Waiting Area	Collection Area
Oak Ash	EYS	8.45am 3.00pm	In carpark area next to the nursery	In carpark area next to the nursery. Exit via nearest gate
Chestnut Maple	Year 1	8:30-8.40 3.00pm	Children can come in from 8.30 to help congestion and provide a gentle start for the children. YEAR 1 PARENTS SHOULD DROP OFF CHILDREN AND WALK ON THROUGH THE PLAYGROUND AND EXIT VIA THE GREEN ARUNDEL RD GATE. (ONE WAY SYSTEM) PLEASE DO NOT COME BACK THROUGH THE SILVER GATE AS THIS CAUSES CONGESTION WITH YEAR 2 PARENTS AND CHILDREN	Collect from infant playground. Exit via green gate
Cherry Willow	Year 2	From 8.40am 3.05pm	Please wait on the slope by carpark exit until called in by a member of staff	Collect from infant playground. Exit via green gate
Badger Otter	Year 3	From 8.40am 3.05pm	In carpark area next to the nursery	In carpark area next to the nursery. Exit via nearest gate
Mole Fox	Year 4	8.40am 3.05pm	Children come in through green Arundel Rd gate	Collect from infant playground. Exit via green gate
Lewes Amberley	Year 5	8.30am 3.00pm	Children come in via Year 1 silver gate	Collect from infant playground. Exit via green gate
Arundel Bodium Bramber	Year 6	8.30am 3.00pm	Children come in through green Arundel Rd gate	Collect from infant playground. Exit via green gate

At the end of the day PLEASE CONTINUE TO KEEP TO THE ONE WAY SYSTEM AS LAST YEAR - COME IN THROUGH THE SILVER GATE AND LEAVE BY THE ARUNDEL ROAD GATE

Let's Keep Safe

We would welcome the wearing of face masks and please continue to socially distance. We are determined to keep the risk of infection to an absolute minimum this term to avoid absence from school.

Unfortunately the temporary lights directly outside school will last up to half term. This is due to the new housing development further up Arundel Rd. It is essential that 'park and walk' is adopted as there is likely to be very heavy congestion at drop off and pick up times.

Have a lovely weekend

Yours

Mike Jee
