The Big Catch!

A fantastic Catch from **Amelia** In **Oak Class!**
Amelia won the **Junior Angler of the Month** in August at just 4 years of age!

Her father said "My daughter was float fishing down the margins at Heron; using the top half of a spinning rod, with a small reel, taped to the bottom. She caught an expected roach but then the float shot away and the rod bent over! She landed her first carp on a size 16 hook along with two maggots! Amelia was super chuffed with herself which has made our day"
Excellent job Amelia!

Rugby Rivalry

A great win for **Malwina** in **Arundel class!**
Malwina and her under 12's Rugby team took part in the **Gaurdians 10s Festival** on 9/10/23. Due to low numbers, Malwina's team had to merge with The Harlequins Amateurs from Twickenham. The girls who played were in Year 6 & 7 and together they played a total of 3 games and ended up winning 2 of them. In a short time they had bonded really well and showed amazing team wok & Sportsmanship.
Great Work Malwina!
