Dear Parents and Carers

As we come to the end of our first couple of weeks of term, I have a number of notices and reminders. It's been wonderful to have all the children back in school and they have enjoyed a gentle return with their teacher and familiar surroundings. Their attendance and behaviour has been very good and we are pleased to see them so happy and settled.

Drop off and pick up procedures

Below is a reminder of the drop off and pick up times for each year group.

	Start Time	Finish Time
Reception Classes From w/b 20.09.21	8.45am Children and parents wait in carpark area in front of the school, children enter school by small wooden gates between William Older pre-school or adjacent door	3.00pm Collect from same doors and leave by steel gate (car park exit gate) as marked
Year 1	From 8.30am Enter by the silver gate (by Year 1 classrooms) and through the Year 1 area doors	3.00pm Collect from main playground and exit by green gate
Year 2	8.40am Children and parents wait by the marked area in the staff car park just outside Year 1 silver gate until 8.40am ready to be collected by an adult – NO PARENT/CARER SHOULD GO ON TO THE PLAYGROUND	3.05pm Collect from main playground and exit by green gate
Year 3	8.40am Children and parents wait in carpark area in front of the school, children enter school by small wooden gates between William Older pre-school or adjacent door	3.05pm Collect from same doors and leave by steel gate (car park exit gate as marked)
Year 4	8.40am Children enter by the green Arundel Road main school gates and into the school via the external class door	3.05pm Collect from main playground and exit by green gate
Year 5	8.30am Children enter school by the silver gate (by the Year 1 classrooms). Lewes class will enter school via the Year 2 corridor and Amberley class will enter school via the door opposite Year 6	3.00pm Collect from main playground and exit by green gate
Year 6	8.30am Children enter by the green Arundel Road main school gates. Arundel class will enter school via the classroom's backdoor. Bramber class will enter school via the library doors. Bodiam will enter school via the top library doors	3.00pm Collect from main playground and exit by green gate

to provide opportunities for ALL to flourish; to serve our community; to prepare and equip for an ever-changing world.

Sasha Dunn

Mrs Dunn has only gone and “dunn” it! Our amazing Mrs Dunn (Learning Support Assistant in Year 5) ran the Brighton Marathon on Sunday in aid of Diabetes, which she herself was only diagnosed with three years ago. She raised over £2,000.00, an incredible achievement.

Well done

Bicycles and Scooters

When your child is out and about on a bicycle or scooter please make sure that you speak to your child about being sensible and to be aware of the traffic. We would advise helmets to be worn.

The road can be a dangerous place!

Covid-19 Self Isolation Guidelines for St Margaret's September 14th 2021

If your child has symptoms

Any person/ child with symptoms associated with Covid-19 must book a PCR test and self isolate until the results confirm a negative result. If the results are positive you must self-isolate for the full 10 days from the date of symptoms starting.

If someone in your household has tested positive for Covid-19

If a member of your household has tested positive for Covid-19, in line with Government advice other household members must self isolate **UNLESS they are double vaccinated or under the age of 18 years 6 months**. Therefore your child can still attend school; please ensure that your child goes to and from school with someone NOT currently isolating due to a positive test result, having symptoms or waiting for a result - you may need to make alternative arrangements for school run journeys, so that you do not break your self-isolation and risk spreading the virus or being fined.

We as a school would ask that your child takes a PCR test and regular lateral flow tests during that period to keep our school community safe.

If your child goes on to develop symptoms they must self-isolate and take a PCR test.

Flu Immunisations - Monday 11th October in school for all year groups

A parent letter with instructions on how to complete the online consent form, to either consent or refuse this course of vaccination was sent out last week. Please contact the school office if you did not receive a copy of the letter.

flu: 5 reasons to vaccinate your child

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed

The nasal spray is painless and easy to have

4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare

FREE Gardening Equipment for your school!

Become a Morrisons Growing School and get FREE gardening equipment for your school!

At Morrisons we want to get the next generation growing, because the more kids know about how food's grown and made, the better they'll eat, now and in the future.

That's why we've created It's Good to Grow, a collector scheme where you can exchange Grow Tokens for gardening equipment for your school.

Goodbye

Farewell

We want to say a huge thank you to Mrs Good who has been a Teaching Assistant in our school for the last 13 years

Good luck!

How does it work?

Once you're registered to the scheme anyone can take part in collecting **Grow Tokens** for your school.

Between 6th September and 24th October 2021 all they need to do is download the MyMorrisons app or visit the website, head to the It's Good To Grow section and select your school to donate their **Grow Tokens** to.

They will get one **Grow Token** for every £10 spent in store or online and can donate these straight to you via the app or website.

After the collection period ends you'll be able to redeem your **Grow Tokens** against a wide range of gardening equipment for school.

Online Safety Tips for Children

Wow, it's September already! The month when autumn officially starts and ... oh yeah, the beginning of a new school year. Every cloud has a silver lining though! Another term means new friends to make, different stuff to learn, fresh online trends to jump on and exciting new games to play on your phone, computer or console. We've compiled a list of our top tips to ensure that - whether you're going online to chat, research things or just have fun - you can do it safely.

Be cautious with your profile

Be careful not to give out too much info on your social media or gaming profiles. Details like your full name, address or school's name could all help strangers to actually find you offline. A trusted adult can help you make your profiles private - so only your family and actual friends can contact you.

Lock your devices

Taking your phone or tablet to school? Turn password protection on. It keeps your private info safe and stops anyone accessing your device without permission. Passwords should be memorable to you - but difficult for anyone else to guess. Get a trusted adult to write it down in case you forget it!

Be smart with screen time

Too much screen time, especially just before bed, can affect your quality of sleep. Losing sleep, or not sleeping well enough, messes with your concentration and energy levels. Try muting notifications so you don't get pinged late at night: you'll feel fresher and more focused the next day.

Know how to deal with bullies

Sadly there are people online who enjoy picking on other users. If you ever feel like you're being bullied online - by anyone, not just someone from school - talk to a trusted adult about it. Together, you can discuss possible steps, such as blocking or reporting the person who's targeting you.

Manage online relationships wisely

Most people in a relationship chat to their partner online. Just be mindful that once you send a pic or message (even if it's private), you no longer control who else might see it. Messaging someone you've never actually met - and who might not be who they say - is definitely best avoided.

React well to inappropriate content

When you're researching something online, there's always a chance of finding content that makes you feel uncomfortable or upset. If this happens, you can report it as inappropriate and (hopefully) get it taken down. Tell a trusted adult what happened: they'll help you decide what to do next.

Report offensive in-game chat

If you game online with your mates, you'll know things can get competitive and heated on the in-game chat. Playing against people you don't know (especially if they're older) raises the risk of offensive comments and even threats. Our advice? Find out how to block or mute those bad losers.

Learn to spot fake news

If you're looking into a topic for homework or a project, be careful not to get taken in by fake news: content that's deliberately created to mislead people. Check the story with credible sources, like the BBC or Sky News. Trust your instincts, too - if it seems too unbelievable to be true, it's probably fake.

Keep it 'real' with online friends

Everyone enjoys adding friends and followers on social media. It's important, though, that the people you interact with online really are your friends. If they're just random people you've connected with to increase your contacts, you don't know if they could be trolls or bullies (or worse).

Walking Home Permission

If you have decided to give your child permission to walk home, you must complete a Walking Home Permission Form on our website or email the school office, giving your permission.

Well done to Mia E in Mole class for completing 20 reads – the first one for the Autumn term 2021. She earned herself a £5.00 book voucher and a star pin badge.

Finally, thank you for your patience during the building work at the front of the school – it really will be worth it when it's completed!
Yours sincerely
