Dear Parents and Carers

As we come to the end of another busy (and unusual!) term I have a few notices for you.

Children's Learning

The teachers have been busy assessing all children with their reading, writing and maths to see the effects of lockdown throughout most of this term. Thorough assessment and analysis of these results have shown some very encouraging signs for many children and we are making plans to support children in the summer term with gaps in their knowledge.

We say a fond farewell to Mrs Hendry who has served the school faithfully for the last 16 years. Mrs Hendry has touched the lives of hundreds of children and been a huge support to parents and families over the years. She is moving on to pastures new and we wish her every success in her new career.

Uniform

It has been a challenging term for uniform with little point of buying items when children are only in school for a short time. However, the summer term is upon us and we expect the children to wear the summer uniform detailed on our website, after the Easter holidays. Please ensure that appropriate footwear is worn in school.

Order your School Uniform Online

Going forward as from the week beginning **Monday 5th April** school uniform should be ordered direct from our uniform supplier, Brigade for free delivery into school. Orders will be processed twice a month and delivered direct to school and we will contact you for collection. During the summer holidays, you will be able to order uniform for home delivery. Please see the following website for more information.

We also attach the "Brigade Parent Direct User Guide" and Ordering Uniform Information leaflet for your information.
