Dear Parents and Carers,

As we come to the half term I have a few notices and reminders.

**DROP OFF
AND
PICK UP**

Drop off and Pick up time

After half term arrangements for start and end of the day will continue as before until the end of term. We are hoping that 21st June will see many restrictions lifted but keeping our school community safe is paramount. I would ask that we continue with the one-way system and wear face masks as usual.

Much as we welcome all parents, please continue to leave promptly and keep younger children close by!

Many thanks for your help with this.

INSET DAY
School Closed
to Students

INSET (IN Service Training)

Please be reminded that the school will be closed on Friday 28th May and Monday 28th June for staff training

Class mixing

After half term we will be looking at the make up of some classes ready for September. This means that some year groups will be mixed in September - this is done to ensure that year groups are equal in numbers and need, and to help children to develop new friendships where appropriate.

We will of course ask children to name several friends and make sure that they have some of the children on their list in their class.

Sports Days

We are holding sports days for our Infants (EY, Yr 1 and Yr 2) on **Wednesday 30th June** am and **Tuesday 6th July** for Juniors (Yrs 3 – 6)

Building Work

As mentioned in a previous letter, there will be some building work starting over half term at school. A new front office and parent waiting area is being built. Some of the carpark area at the front of the school will be taken up for the constructors' equipment. We will try and minimise any disruption to the start and end of the day.

IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

CHEST: Measure around the chest at the fullest part, placing the tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth.

WAIST: Measure around the natural waistline.

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

SKIRT LENGTH: Measure from the waist down to where you would want the hem.

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.
