Dear Parents and Carers

We are almost there!

It's been quite a year, and as I meet teachers to review children's progress, I am struck by the huge efforts staff have gone to support children across the year, in what have been unprecedented times. At this point I would like to say a huge 'thank you' to all teachers and support staff for going the extra mile in so many ways.

I'd also like to say thank you and well done to all parents and carers for your patience, support and fantastic work with your children over this year. We have managed to make it to the end of the academic year with our children making good progress in so many way. WELL DONE ALL!!!
