Dear Parents and Carers,

Summer has well and truly arrived! I hope you have all found time to enjoy the fantastic weather we are experiencing at the moment and to enjoy being outdoors in the lovely area in which we live.

The summer term is so busy in school and we have lots of information to share with you, so please read our newsletters carefully each week and keep an eye out for any updates that we may need to share with you.

This Week at St Margaret's

- Our children gave it their all at Junior Sports day this week – demonstrating our core values in abundance. To see such support, kindness and resilience throughout the event was fantastic to see – it is so special to see children, staff and parents coming together to cheer on every individual achievement. Thank you to all those who came along to support the children.
 - Children from across Key Stage 2 are performing in a music concert this afternoon – we wish all those taking part well. It is great to see children push themselves out of their comfort zones and showcase their talents and hard work. Thank you to Mr Carton for organising this opportunity.
 - On Friday we welcome Community Links Theatre Group to school to perform to the children.
 - Thank you to Ferring Nurseries who have supported our Year 1 planting project.
-
