

English Learning

In English, we will be looking at poetry in our unit Revolting Rhymes. We will learn:

- * Reading and performing different poems
- * Planning, drafting, writing and editing our own poems
- * To write our own ending to a story, following the style of an author

We will then look at the book Street Child (Victorians focus). We will learn:

- * To answer questions about the text
- * To use drama to show our understanding of character action
- * To write a diary entry from the perspective of the character

Mathematical Learning

This term we are looking at:

- * Reading, writing and ordering numbers up to 10 000 and beyond, understanding the value of each digit
- * Efficient methods for using the four operations to calculate numbers
- * Revising the times table facts for up to 12 x 12

PSHE Learning

We will be looking at how to have a Growth Mindset and the roles of the pupil and teacher in this.

French Learning

We will be revising basic greetings so we can have a simple conversation.

Scientific Learning (Properties of materials)

Our topic this half term will be:

- * Comparing and group materials according to hardness and transparency
- * Learning about the electrical conductivity of everyday materials
- * Comparing and group together everyday materials on the basis of whether they are thermal conductors or thermal insulators
- * Learning about how different materials respond to magnets
- * Learning that some materials will dissolve in liquid to form a solution

Art Learning (linked to the Victorians)

We will learn about the work of the Victorian artist William Morris. Our work will include creating design pages in our sketchbooks and learning how to print.

Music Learning (linked to the Victorians)

We will be looking at nursery rhymes. Reminding ourselves of these, looking at their meanings and writing and performing our own.

Faith and Wonder Learning

We will be looking at the unit "What does it mean if God is Holy and loving?"

Computing Learning

We will be looking at how to keep safe online and introducing Sumdog.

PE Learning

For our indoor PE we will be engaging in fitness activities and for our outdoor sessions we will be playing team games.

How can you help?

- Encouraging your child to read regularly at home, both independently and to an adult. See the children's home learning sheet for further detail.
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings, discussing the meanings of words, discussing the phoneme and any rules sentences and reviewing spellings from previous weeks.

Events/trips planned for this half term:

- We have a trip to Brighton planned for next half term and we release details about this nearer the time.
- Our parents' meeting is Thursday 19th September at 2:30pm in Lewes Class. We look forward to seeing you there.
- Please read our newsletter for additional dates this half term.

If you have any resources you are happy to loan to us or have any particular knowledge about any of the topics we are learning about then please contact your child's class teacher.

Please come and see your class teacher if you need any further information or have a query. We are available at the end of the day on the playground.

We look forward to working with you this term.

The Year 5 team

Year 5 Learning

Autumn 1

Welcome to year five! We hope that you had a lovely, relaxing summer holiday and enjoyed a break from the normal routines.

We are very excited to start a new year with our new classes. We are looking forward to getting to know the children, finding out about their hobbies and interests and moving them on. We are confident that the year will be full of new challenges for the children and there will be lots of exciting learning opportunities.

This booklet will outline the topics that we will be covering this half term and subsequent booklets will inform you about the rest of the year.

Autumn Term Topic: The Victorians (History focus)

We will be learning about:

- When in the past the Victorians lived
- About the life of Queen Victoria
- How and why life was different for children in the Victorian times (including schooling, toys, home life, work)
- Key people in the Victorian times who brought about change

English Learning

In English, we will be looking at poetry in our unit Revolting Rhymes. We will learn:

- * Reading and performing different poems
- * Planning, drafting, writing and editing our own poems
- * To write our own ending to a story, following the style of an author

We will then look at the book Street Child (Victorians focus). We will learn:

- * To answer questions about the text
- * To use drama to show our understanding of character action
- * To write a diary entry from the perspective of the character

- * Comparing and group materials according to hardness and transparency
- * Learning about the electrical conductivity of everyday materials
- * Comparing and group together everyday materials on the basis of whether they are thermal conductors or thermal insulators
- * Learning about how different materials respond to magnets
- * Learning that some materials will dissolve in liquid to form a solution

Art Learning (linked to the Victorians)

We will learn about the work of the Victorian artist William Morris. Our work will include creating design pages in our sketchbooks and learning how to print.

Music Learning (linked to the Victorians)

We will be looking at nursery rhymes. Reminding ourselves of these, looking at their meanings and writing and performing our own.

Faith and Wonder Learning

We will be looking at the unit "What does it mean if God is Holy and loving?"

Computing Learning

We will be looking at how to keep safe online and introducing Sumdog.

PE Learning

For our indoor PE we will be engaging in fitness activities and for our outdoor sessions we will be playing team games.

How can you help?

- Encouraging your child to read regularly at home, both independently and to an adult. See the children's home learning sheet for further detail.
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings, discussing the meanings of words, discussing the phoneme and any rules sentences and reviewing spellings from previous weeks.

Events/trips planned for this half term:

- We have a trip to Brighton planned for next half term and we release details about this nearer the time.
- Our parents' meeting is Thursday 19th September at 2:30pm in Lewes Class. We look forward to seeing you there.
- Please read our newsletter for additional dates this half term.

If you have any resources you are happy to loan to us or have any particular knowledge about any of the topics we are learning about then please contact your child's class teacher.

Please come and see your class teacher if you need any further information or have a query. We are available at the end of the day on the playground.

We look forward to working with you this term.

The Year 5 team

Year 5 Learning

Autumn 1

Welcome to year five! We hope that you had a lovely, relaxing summer holiday and enjoyed a break from the normal routines.

We are very excited to start a new year with our new classes. We are looking forward to getting to know the children, finding out about their hobbies and interests and moving them on. We are confident that the year will be full of new challenges for the children and there will be lots of exciting learning opportunities.

This booklet will outline the topics that we will be covering this half term and subsequent booklets will inform you about the rest of the year.

Autumn Term Topic: The Victorians (History focus)

We will be learning about:

- When in the past the Victorians lived
- About the life of Queen Victoria
- How and why life was different for children in the Victorian times (including schooling, toys, home life, work)
- Key people in the Victorian times who brought about change

English Learning

In English, we will be looking at poetry in our unit Revolting Rhymes. We will learn:

- * Reading and performing different poems
- * Planning, drafting, writing and editing our own poems
- * To write our own ending to a story, following the style of an author

We will then look at the book Street Child (Victorians focus). We will learn:

- * To answer questions about the text
- * To use drama to show our understanding of character action
- * To write a diary entry from the perspective of the character

Mathematical Learning

This term we are looking at:

- * Reading, writing and ordering numbers up to 10 000 and beyond, understanding the value of each digit
- * Efficient methods for using the four operations to calculate numbers
- * Revising the times table facts for up to 12 x 12

PSHE Learning

We will be looking at how to have a Growth Mindset and the roles of the pupil and teacher in this.

French Learning

We will be revising basic greetings so we can have a simple conversation.

Scientific Learning (Properties of materials)

Our topic this half term will be:

- * Comparing and group materials according to hardness and transparency
- * Learning about the electrical conductivity of everyday materials
- * Comparing and group together everyday materials on the basis of whether they are thermal conductors or thermal insulators
- * Learning about how different materials respond to magnets
- * Learning that some materials will dissolve in liquid to form a solution

Art Learning (linked to the Victorians)

- Encouraging your child to read regularly at home, both independently and to an adult. See the children's home learning sheet for further detail.
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings, discussing the meanings of words, discussing the phoneme and any rules sentences and reviewing spellings from previous weeks.

Events/trips planned for this half term:

- We have a trip to Brighton planned for next half term and we release details about this nearer the time.
- Our parents' meeting is Thursday 19th September at 2:30pm in Lewes Class. We look forward to seeing you there.
- Please read our newsletter for additional dates this half term.

If you have any resources you are happy to loan to us or have any particular knowledge about any of the topics we are learning about then please contact your child's class teacher.

Please come and see your class teacher if you need any further information or have a query. We are available at the end of the day on the playground.

We look forward to working with you this term.

The Year 5 team

Year 5 Learning

Autumn 1

Welcome to year five! We hope that you had a lovely, relaxing summer holiday and enjoyed a break from the normal routines.

We are very excited to start a new year with our new classes. We are looking forward to getting to know the children, finding out about their hobbies and interests and moving them on. We are confident that the year will be full of new challenges for the children and there will be lots of exciting learning opportunities.

This booklet will outline the topics that we will be covering this half term and subsequent booklets will inform you about the rest of the year.

Autumn Term Topic: The Victorians (History focus)

We will be learning about:

- When in the past the Victorians lived
- About the life of Queen Victoria
- How and why life was different for children in the Victorian times (including schooling, toys, home life, work)
- Key people in the Victorian times who brought about change

English Learning

In English, we will be looking at poetry in our unit Revolting Rhymes. We will learn:

- * Reading and performing different poems
- * Planning, drafting, writing and editing our own poems
- * To write our own ending to a story, following the style of an author

We will then look at the book Street Child (Victorians focus). We will learn:

- * To answer questions about the text
- * To use drama to show our understanding of character action
- * To write a diary entry from the perspective of the character

Mathematical Learning

This term we are looking at:

- * Reading, writing and ordering numbers up to 10 000 and beyond, understanding the value of each digit
- * Efficient methods for using the four operations to calculate numbers
- * Revising the times table facts for up to 12 x 12

PSHE Learning

We will be looking at how to have a Growth Mindset and the roles of the pupil and teacher in this.

French Learning

We will be revising basic greetings so we can have a simple conversation.

Scientific Learning (Properties of materials)

Our topic this half term will be:

- * Comparing and group materials according to hardness and transparency
- * Learning about the electrical conductivity of everyday materials
- * Comparing and group together everyday materials on the basis of whether they are thermal conductors or thermal insulators
- * Learning about how different materials respond to magnets
- * Learning that some materials will dissolve in liquid to form a solution

Art Learning (linked to the Victorians)

We will learn about the work of the Victorian artist William Morris. Our work will include creating design pages in our sketchbooks and learning how to print.

Music Learning (linked to the Victorians)

We will be looking at nursery rhymes. Reminding ourselves of these, looking at their meanings and writing and performing our own.

Faith and Wonder Learning

We will be looking at the unit "What does it mean if God is Holy and loving?"

Computing Learning

We will be looking at how to keep safe online and introducing Sumdog.

PE Learning

For our indoor PE we will be engaging in fitness activities and for our outdoor sessions we will be playing team games.

How can you help?

- Encouraging your child to read regularly at home, both independently and to an adult. See the children's home learning sheet for further detail.
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings, discussing the meanings of words, discussing the phoneme and any rules sentences and reviewing spellings from previous weeks.

Events/trips planned for this half term:

Autumn 1

Welcome to year five! We hope that you had a lovely, relaxing summer holiday and enjoyed a break from the normal routines.

We are very excited to start a new year with our new classes. We are looking forward to getting to know the children, finding out about their hobbies and interests and moving them on. We are confident that the year will be full of new challenges for the children and there will be lots of exciting learning opportunities.

This booklet will outline the topics that we will be covering this half term and subsequent booklets will inform you about the rest of the year.

Autumn Term Topic: The Victorians (History focus)

We will be learning about:

- When in the past the Victorians lived
- About the life of Queen Victoria
- How and why life was different for children in the Victorian times (including schooling, toys, home life, work)
- Key people in the Victorian times who brought about change

English Learning

In English, we will be looking at poetry in our unit Revolting Rhymes. We will learn:

- * Reading and performing different poems
- * Planning, drafting, writing and editing our own poems
- * To write our own ending to a story, following the style of an author

We will then look at the book Street Child (Victorians focus). We will learn:

- * To answer questions about the text
- * To use drama to show our understanding of character action
- * To write a diary entry from the perspective of the character

Mathematical Learning

This term we are looking at:

- * Reading, writing and ordering numbers up to 10 000 and beyond, understanding the value of each digit
- * Efficient methods for using the four operations to calculate numbers
- * Revising the times table facts for up to 12 x 12

PSHE Learning

We will be looking at how to have a Growth Mindset and the roles of the pupil and teacher in this.

French Learning

We will be revising basic greetings so we can have a simple conversation.

Scientific Learning (Properties of materials)

Our topic this half term will be:

- * Comparing and group materials according to hardness and transparency
- * Learning about the electrical conductivity of everyday materials
- * Comparing and group together everyday materials on the basis of whether they are thermal conductors or thermal insulators
- * Learning about how different materials respond to magnets
- * Learning that some materials will dissolve in liquid to form a solution

Art Learning (linked to the Victorians)

We will learn about the work of the Victorian artist William Morris. Our work will include creating design pages in our sketchbooks and learning how to print.

Music Learning (linked to the Victorians)

We will be looking at nursery rhymes. Reminding ourselves of these, looking at their meanings and writing and performing our own.

Faith and Wonder Learning

We will be looking at the unit "What does it mean if God is Holy and loving?"

Computing Learning

We will be looking at how to keep safe online and introducing Sumdog.

PE Learning

For our indoor PE we will be engaging in fitness activities and for our outdoor sessions we will be playing team games.

How can you help?

- Encouraging your child to read regularly at home, both independently and to an adult. See the children's home learning sheet for further detail.
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings, discussing the meanings of words, discussing the phoneme and any rules sentences and reviewing spellings from previous weeks.

Events/trips planned for this half term:

- We have a trip to Brighton planned for next half term and we release details about this nearer the time.
- Our parents' meeting is Thursday 19th September at 2:30pm in Lewes Class. We look forward to seeing you there.
- Please read our newsletter for additional dates this half term.

If you have any resources you are happy to loan to us or have any particular knowledge about any of the topics we are learning about then please contact your child's class teacher.

Please come and see your class teacher if you need any further information or have a query. We are available at the end of the day on the playground.

We look forward to working with you this term.
