

English Learning

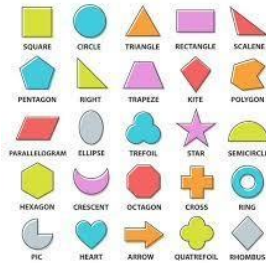

In English, we will be focusing on Poetry and continuing our class book *The Nowhere Emporium*. Our poetry work will lead on to debating and writing a persuasive speech.

Mathematical Learning

This term we are looking at:

- Area and Perimeter
- Shape and Angles
- Statistics

PSHE Learning

This half term we will be concluding our topic of "Safety and the Changing Body". This will include some basic First Aid knowledge alongside Relationship & Sexual Education. We will then move on to the topic of "Citizenship" with a focus on human rights, diversity and democracy.

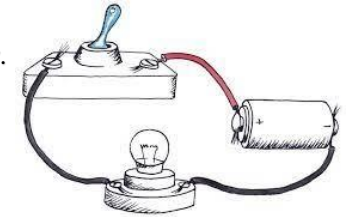

French Learning

We will continue to look at homes and houses.

Scientific Learning

This half term we will be continuing our focus on electricity. We will be learning how switches and why are used in circuits and using our understanding to construct a pressure-sensitive alarm.

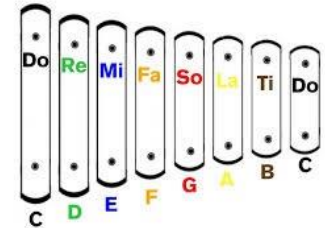

Design Technology Learning

We will continue to focus on Pop Art and the work of Andy Warhol. We will develop our textiles skills by designing and producing a fabric pencil case with an appliqué design.

Music Learning

We will be building on our skill at playing the glockenspiel in a jazz from style last half term, this time with a focus on improvisation and composition.

Faith and Wonder Learning

We will be looking at how Christians celebrate Easter, looking in detail at how events are described in the Biblical account and exploring the concept of salvation.

Computing Learning

We will be learning about e-safety (how to evidence online bullying) and how organisations collect, record and analyse data.

PE Learning

Debbie Webb from Activ8 will be working with us on relaxation and mindfulness techniques. In Outdoor PE sessions, we will work at improving our Net and Wall skills.

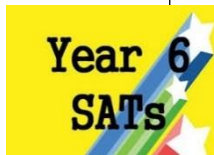

How can you help?

- Continuing to read regularly at home with lots of discussion about the book
- Lots of regular times table testing including both multiplication and division facts. The faster the response, the better!
- Supporting your child with learning their spellings
- Encouraging your child to complete homework tasks in their SATs revision booklets
- Come along to our Homework drop-in sessions on a Wednesday after school where the team will be present to support you and your child's learning until 3:45pm this half term. From Wednesday 16th March 2022.

Events/trips planned for this half term:

- Monday 28th March - Geography trip to Highdown (more details to follow in a separate letter). *This is instead of the previously-mentioned trip to Devil's Dyke which we will no longer be able to carry out for various reasons.*
- Week beginning 4th March - Visit from Dogs' Trust
- SATs Information meeting for parents: Wednesday 30th March at 6pm in school.

Please come and see your class teacher if you need any further information or have a query. We are available at the end of the day on the playground.

The Year 6 team

Year 6 Learning

Spring 2

Hello! We hope you all had a lovely half term with your family and friends. This term is a busy one academically, whilst we try to keep a balance between working hard for the forthcoming SATs and enjoying the start of Spring. Already the children have successfully completed a practice SATs week, with smiles and a sense that this is not as daunting as expected.

Spring Term Topic: UK, Sussex and Brighton (Geography Focus)

We will be learning:

- How to interpret an Ordnance Survey map
- To plan and follow a route using a map and compass
- About the 4 cardinal and 4 ordinal directions of a compass
