

Scenario 1

Dear Diary,–

Tell us what happened.

How did it start?

Who was involved?

Tell us how you felt about it and what did you do.

How did it finish?

*If you have a second scenario then leave 2 lines
between scenario 1 and scenario 2.*

What is your job on board? Does this mean you have an important role to play (are you in charge?) during your scenario or would you be more in the background, just watching and reacting to what is happening.

Don't forget to talk about your thoughts and feelings.

Scenario 2

Dear Diary,

Tell us what happened.

How did it start?

Who was involved?

Tell us how you felt about it and what did you do.

How did it finish?
