It is the Easter holidays! We hope that you have a lovely time with your families. Maybe have a try at some of these activities if you have a free moment. Don't forget you can always email us. We would love to hear from you.

<p><b>Family project</b></p> 	<p>In our music lessons, we were going to be writing a rap encouraging people to visit London or New York. Imagine that you have been given the job of getting people to visit the city of London or New York once all the germs have disappeared.</p> <p>Can you write some verses for your rap? Maybe include a repeating chorus?</p> <p>For example,  <i>The river Thames it flows around,          Big Ben likes to make a sound.</i></p> <p><i>London, London it's the place to be.          Join the Queen for cake and tea.</i></p> <p><i>From the London Eye you can see the sights,          You'll be reaching great new heights.</i></p> <p><i>London, London it's the place to be.          Join the Queen for cake and tea.</i></p> <p>Can you as a family perform your rap? Could someone be doing some beat box? Could you dress with some attitude? Have some fun! Why not video it and share it with the class? Maybe you could be the next act on Britain's Got Talent? We would love to share the fun.</p>
