

London Phone Box Paper Model

Instructions

1. Begin by cutting out the shapes on page 1. Cut along the thick black lines, making sure you cut the lines next to tabs 2, 3 and 4.
2. Fold all dotted lines into a hill fold (folded downwards).
3. Apply glue to tab 4 and stick to the inside of the phone box.
4. Repeat the above step for tab 3 and tab 2.
5. Apply glue to tab 1 and tab 5 simultaneously. Stick tab 1 to the side panel of the phone box and tab 5 to the inside of the phone box.
6. Apply glue to tabs 6, 7 and 8 simultaneously. Stick the tabs to the roof of the phone box.

Your London Eye model is now complete. Enjoy the view!
