

# *Magical Doorways*

Please pick **one** of these pictures as your doorway.

Rewrite your paragraph 1 using one of these as your doorway. Use the picture to inspire you. Where are the children (Poppy, Ryan and Jasper)? How did they get there? Why are they there? How they might have come across the doorway?

Remember you are working on your ability to describe what is around the children and what is happening? The reader can learn so much from the children when using all their senses.
