

Year 3 - Thursday 9th July 2020

Welcome to you next instalment of Home Learning for this week. How are we already 9 days in to July? We hope you continue to enjoy your Home Learning. If you haven't done so already, why not upload a piece of work to Google Classroom or send it to your teacher/s via email. We love seeing what you have been up to.

<u>English</u>	
Reading 	Read your reading book and write in your reading diary. If you have recently finished a book, why not write a book review about it and upload it to Google Classroom.
Spelling 	Today we would like you to look at how we use possessive apostrophes. Visit: https://www.bbc.co.uk/bitesize/topics/zvwxnb/articles/zx9ydxs and watch the first video clip. Scroll down and complete the activity which looks like this:  Finally, complete the quiz at the bottom of the page. Have fun!
English task 	Today will be our last activity comparing the life of a Roman child to ours. This session we are going to be looking at Roman Diets. Have a read through the information sheets which will be uploaded to Google Classroom, in the English section, and see what you can find out about what the Romans ate and then add these facts to the writing frame or design one of your own. Remember to include facts about what you eat too. Next week we will begin to put our non-fiction book together so make sure that you keep your pages somewhere safe!
<u>Maths</u>	
Mental maths 	Play times table rock star OR make a peg times table quizzer. Video clip of how to make one is on Google Classroom.
Maths task 	<u>Horizontal and vertical</u> Watch the video https://vimeo.com/430336963 Then do one of the following: *complete the worksheet (link on our website) *draw and label some horizontal and vertical lines, some shapes with horizontal and vertical lines, you could make horizontal and vertical labels, blue tac them to objects and take photos of them and send them to us/post on google classroom. * investigate what flags have horizontal and vertical lines BBC Challenge of the week - https://www.bbc.co.uk/bitesize/articles/z68k3j6
<u>Other</u>	
Subject 1: Faith and Wonder 	Look back at the mind map you made last time. If you didn't do one have a think about a favourite bible story or quote. This week I'd love you to get creative and make your own piece of religious art. If you need to, look back at the resources from last time for some inspiration. Think carefully about what you want your art to represent. I am basing mine on the Christmas story and have included my mind map and finished piece in the resources section on the website and on Google Classroom. Use any media you like, pencils, paint, pastels, or collage. I would love to see your creations on Google Classroom.
Subject 2: PSHE	<u>Turning negative things into a positive</u> Watch video https://www.youtube.com/watch?v=B-qJ8fu0rrl&safe=true Look at the

	<p>resource sheet 'Making negative thoughts into positive thoughts' on our website. Can you turn that negative thought into something good? Then you can make up your own using some of your own negative thoughts e.g.</p> <table border="0"> <tr> <td data-bbox="379 185 925 224">Negative thought</td> <td data-bbox="954 185 1181 224">Positive thought</td> </tr> <tr> <td data-bbox="379 230 925 302">I cannot play with my friends over lock down.</td> <td data-bbox="954 230 1484 347">I have discovered more things that I am good at e.g. drawing, building, using my imagination.</td> </tr> <tr> <td data-bbox="379 353 925 392">We cannot go on holiday this year.</td> <td data-bbox="954 353 1484 470">What places are near us which we can discover or could we build something over the next few weeks?</td> </tr> </table>	Negative thought	Positive thought	I cannot play with my friends over lock down.	I have discovered more things that I am good at e.g. drawing, building, using my imagination.	We cannot go on holiday this year.	What places are near us which we can discover or could we build something over the next few weeks?
Negative thought	Positive thought						
I cannot play with my friends over lock down.	I have discovered more things that I am good at e.g. drawing, building, using my imagination.						
We cannot go on holiday this year.	What places are near us which we can discover or could we build something over the next few weeks?						
<p>PE</p> 	<p>The Virtual Sussex School Games are still on and it is great seeing so many of you taking part. Maybe you could send us a video of you showing off your skills! The new focus for this week is GOLF and the activities will be revealed on the website at 9.30. Go to https://www.activesussex.org/virtual/ to see what you have got to do. Don't forget to upload your scores by 12pm on Friday.</p> <p>OR try some dance at https://family.gonoodle.com/</p>						
<p>Google Classroom</p>	<p>Why don't you film a video all about your favourite hobby, interest, toy or TV show/film and post it on Google Classroom.</p>						

Your next learning will be on Monday

Take care everyone x
