Year 3 – Thursday 25th June 2020

Welcome, Year 3s to your second instalment of Home Learning for this week. Don't forget to upload any work to Google Classroom or send it to your teacher/s via email. We love seeing what you have been up to. Have a lovely weekend with your family.

English

Reading	Read some of your reading book and write in your reading diary. Think about what you have read and write some questions that you could answer. Write your questions and your answers in your red book.
Spelling	Today we would like to you think about words ending in 'tion' e.g. invention, action. Write a list of as many as you can think of and then play hangman with them. You might even like to get an adult to test you on spelling these words by making them out of Scrabble tiles.
English task	We have now finished our work on The Iron Man. Listen to the final chapter on Google Classroom read by Mrs Keates. *What did you think of the ending? Are you pleased with how it ended or would you change something?* Write a book review about the Iron Man. You can use the writing frame that we have uploaded to the website or design a Book Review of your own. Remember it needs to include: a brief outline of the story without giving away the ending , what you liked, what you didn't like, your favourite character, who you think the book is suitable for and a star rating out of five or a rating out of 10.

Other

Subject 1: Faith and Wonder	As we continue our unit of Religious Art please spend some time researching different religious artworks. In the past year 3 have enjoyed looking at the art work of local artist Kate Pollard. Her website is http://creativeword.org.uk/About-the-Artist.php Here she explains the thoughts behind her pieces. If you are having trouble I have also included in the resources folder and on google classroom some pictures I found online, these are titled 'FW art'. These pictures are all inspired by stories or quotes from the bible. Your task this week is to think about **your** favourite bible story or quote. Does a picture come to your head when you think of it? Create a thought shower of ideas based around your chosen bible story or quote. I have included an example in the recourses to help you. Then see if you can find any pictures of art work based on what you have chosen that might give you inspiration for your own art work next time.
	Try the sheet Emotions Scavenger Hunt. You could always collect and share the items you have found or collected on Google classrooms. Maybe make a mini film
