

Monday 22nd June

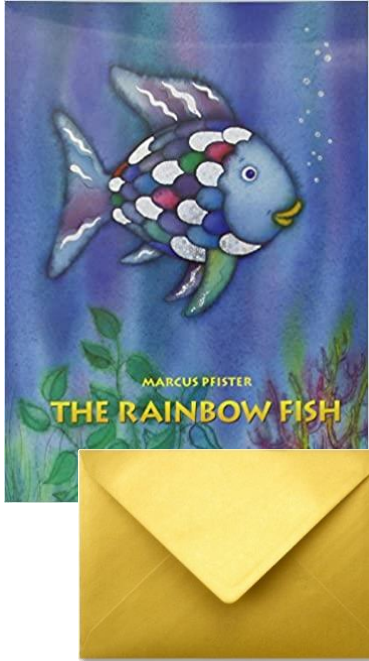

Reading

How are you getting on with Summer Reading Bingo?

Have a go at reading today using expression. Watch the video for PSHE 'The Lion and the Mouse' to help you. You could even read this story if you would like.

English

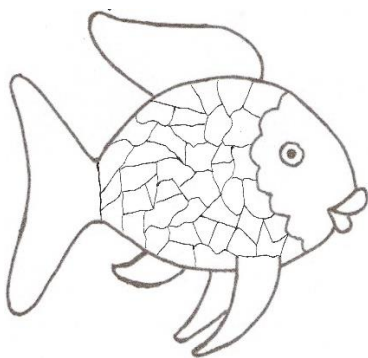

Watch the video on SeeSaw of Mr Carton reminding us of the story of *The Rainbow Fish* and reading a little bit more.

Let's imagine that the Rainbow Fish is going to write a letter to the wise octopus to ask her for help with his problem.

How will the Rainbow Fish begin his letter? How will he explain his problem to the octopus? What questions will he ask her? How will he end his letter?

Watch Mr Carton's video to help you answer these questions. Then write your own letter from the Rainbow Fish in your home learning book.

Maths

Can you solve this Rainbow Fish Maths Investigation?

Is it possible to colour in a fish's scales using just 4 colours? There are only three rules:

- * You can only use 4 colours.
- * Each scale can only have one colour.
- * Scales that have the same colour must not touch.

Use the investigation sheet (uploaded to the school website) to help you.

Topic

Oh no! Mrs Evans had made a timeline of Nelson's life to show you this week but, unfortunately, she got it all mixed up!!!

Can you cut out the facts on the sheet and put them in the correct order? See the video on SeeSaw to help you!

PSHE

Watch the video on SeeSaw of Mrs Evans reading *The Lion and the Mouse*. You can also read it yourself following this:

http://downloads.bbc.co.uk/schoolradio/pdfs/aesop/the_lion_and_the_mouse.pdf

Think about and answer these questions

- 1) Which character would we normally think of as stronger?
- 2) Did the mouse need the lion more or did the lion need the mouse more? Or did they both need each other at different times?
- 3) What is the moral of this story? (Moral means what is the story trying to teach us)

Have a listen (and a dance) to one of these songs. (They are clues as to the moral of the story!!!)
