

Friday 24th April

Happy Friday, Year 2! Next week's work will come out on **Tuesday** and **Thursday**.

Reading

As well as reading your reading book for 10 minutes today, practise reading your sentences that you write in your book this week in a loud, clear voice, using lots of expression. Remember to pause at every **full stop** before reading the next sentence. This will help you check you have used correct **punctuation**.

English / Art

On another page in your book draw **either** the princess **or** St. George and colour them in carefully. Cut out and use the senses pictures at the bottom of the sheet to help you write sentences about what the princess **or** St. George **saw, heard, smelt, tasted** and **touched** when they were close to the dragon. You should write 5 sentences altogether. Look at my examples...

The princess saw the dragon's long, scaly tail.

St. George smelt the dragon's hot, fiery breath!

Use your **expanded noun phrases** from your dragon picture from last time to make your sentences really interesting.

Don't forget your **punctuation** (including the **possessive apostrophe** on **dragon's**).

Maths

Can you be a **Quarter-Hour Queen** or **Quarter-Hour King** for the day (like we do in class): can you tell someone what time it is whenever it gets to an o'clock, half past, quarter past or quarter to time? (*Ideally this should be using an analogue (not digital) clock which is what we learn to read in Year 2.*)
