

Wednesday 22nd April

Year 2

Reading

Read a non-fiction book/text for 10 minutes today. *It might be a recipe for making a cake or biscuits, or an information book about animals (like dragons), or a set of instructions about how to make something (like a kite).* Tell us on SeeSaw or someone in your house what you found out.

English / Art

Remember the story of St. George and the dragon? Draw a picture of a huge dragon in your book. Make him as scary and frightening as you can, with lots of detail, like a **long, scaly tail; sharp, curved claws; red, fire-breathing mouth; enormous, flapping wings.**

Colour him in however you want to: felt tips, paints or collage with shiny paper from your Easter eggs.

Then, underneath, on the lines or around your picture write some **expanded noun phrases** (2 or more adjectives and 1 noun) to describe the terrifying creature! You can steal some of my descriptions from above but try to think of your own as well.

Remember to put a **comma** in between the two adjectives!

## Maths

Play this game to practise telling the time. How many can you answer in one minute?

<https://mathsframe.co.uk/en/resources/resource/117/telling-the-time-in-words>

Choose level 3: to the nearest quarter hour. (If you find this too tricky, try an easier level.)

*For an extra challenge, choose level 4: to the nearest quarter hour.*

## Other activities:

**PSHE**

A challenge for you: look at the list of things "I can't do YET" that you made on SeeSaw. Pick one thing and spend a little time practising this week. See if, by the beginning of next week, you have got better at doing it (and can maybe even do it by yourself!)
