

## Tuesday 28th April

Hello there! Have you had a good few days? Welcome to your first Tuesday of work! Remember, if you need to ask us any questions you can email us at [willow@stmargaretsprimary.org.uk](mailto:willow@stmargaretsprimary.org.uk) or [cherry@stmargaretsprimary.org.uk](mailto:cherry@stmargaretsprimary.org.uk), or send us a message on SeeSaw.

### Reading

Have you been inspired by our story telling? Why not have a go at reading a story to the class this week? If you can, video yourself and see how you get on! Watch your video back and see/listen to what you can do well/improve. If you would like to send it to us, then we would love that. We might even share some of them on SeeSaw for the rest of the class to see! If you would rather not video yourself, you could always read to your teddies/dog/cat/brother/sister/mum/dad - the list is endless!

### English

Can you remember what instructions are for? **They tell us how to do or make something.** Can you remember the features that instructions have? Read the instructions below and see if you can spot them. (Can you find 5 things?) Remember you can use your 'bossy' voice!

#### How to brush your teeth.

##### You will need

Toothpaste, toothbrush, cup of water, sink.

1. Wet your toothbrush in cup of water.
2. Put a pea size shape of toothpaste on your toothbrush.
3. Keep your teeth together in a wide smile.
4. Brush the front of your teeth up and down.
5. Brush each side of your teeth in the same way.
6. Open your mouth and brush on top of your teeth.
7. Repeat on both sides of your mouth, top and bottom.
8. Brush inside your teeth all the way round.
9. Spit out when you need to into sink.
10. Rinse your mouth out with a drink of water.

Have a go at writing a set of instructions for something you do at home every day.

## Maths

In year 2, we have been learning to pay amounts of money using **different combinations of coins**. For example, you could pay 57p with:

$$50p + 5p + 2p$$

$$\text{or } 50p + 2p + 2p + 2p + 1p$$

$$\text{or } 20 + 20p + 10p + 5p + 1p + 1p$$

... and lots of other ways as well.

Choose one of these amounts of money:

28p

76p

90p

£1.45

**How many different ways** can you think of paying it?

## PE

This half term we should be learning a dance for May Day, but as we can't do that I thought we could still do some dancing together!

<https://www.youtube.com/watch?v=9sxifROLtqk&safe=true>

Follow the link to this dance lesson and practise it a few times over the week. We would love it if you could video yourself and send it to us either via SeeSaw or via

[willow@stmargaretsprimary.org](mailto:willow@stmargaretsprimary.org) or [cherry@stmargaretsprimary.org](mailto:cherry@stmargaretsprimary.org)

## History/DT

Last week, we found out that the Fire of London spread so fast because the houses were made of wood and they were very close together.

Can you have a go at making a house that looks like the ones that were in London in 1066? You can use any materials you have got at home - recycled boxes and paper!

If you are feeling confident you can make the door or a window open. (Remember the hinge making skills you learnt when we made castles.)

Don't feel you have to get all this work done today. This and the work we set on Thursday are for the whole week.
