

Monday 6th April

Hello Year 2,

We are really proud of the way you have all worked at home for the last two weeks! Today is the start of the Easter Holidays so we are setting some activities today that you can choose to do over the next week:

<p><u>Reading</u></p> 	<p><i>Cuddle up with some of your favourite books! Over the next few days take time to read/share/listen to someone read some of your favourite books! Maybe you could tell us on SeeSaw which books you chose (or upload some photos).</i></p>
<p><u>Writing</u></p> 	<p>As you can't see your relatives in person at the moment, can you write a letter or postcard to them? You could tell them all about what you have been doing and how you are spending your days. Maybe tell them what you are looking forward to doing with them when you next see them. You could even draw them a picture!</p>
<p><u>Maths</u></p> 	<p>Can you count your Easter eggs? Can you hide a favourite toy and then give instructions to your adult on how to find it? You can use words like: left/right / clockwise/anticlockwise/ quarter turn / half turn / forwards/backwards / steps / up/down/ behind</p>
<p><u>Other activities:</u></p> 	<p>If your adults don't mind could you build a fort/camp somewhere in your house or garden? Or how about practising your favourite song/poem/dance and then performing it after dinner one day? Can you complete the Spring Scavenger Hunt?</p>
