

29.4.2020

Dear Maple and Chestnut,

It was lovely to receive all your letters and I have really enjoyed reading them. I can see that you are very good at writing questions and using question marks. I will do my best to answer some of your questions.

I am very well thank you. Yes I am a T.Rex and I am big, strong and usually brave! I am 65 million years old! I am 12 metres long and 6 metres tall!

I do like being a dinosaur because I can play dinosaur games with my friends Arlo and Dazzle. We like to chase each other and play hide and seek. Yes I can swim but I have not played any sports like cricket before. I wonder what sports children like to take part in.

I am a carnivore and my favourite food is meat. I don't really eat children. I was only joking! I actually eat other dinosaurs!! My bite is the strongest of any land animal! I have never tried chips, bluebells or dinosaur popcorn. I don't think they would be very tasty as they are not meat.

I have heard from your teachers that you are all trying really hard with your home learning and you are learning lots about different dinosaurs. They told me they are really impressed seeing your work on the seesaw app too.

Hope to hear from you all again soon.

From your new friend.

T.Rex

P.S Did you know there is a book about me? Here is a picture of me on the front cover...
