Thursday 12th May 2022

Dear Parents,

During our Faith and Wonder lessons, we have been looking at the topic of Religion through Art. The children have been able to discuss pieces of artwork, make comparisons between them and understand the meanings of different symbols.

We thought it would be great to invite an artist in to show her work and answer any of the questions the children may have. The artist that will be coming in is called Kate Pollard and she has visited St Margaret's school many times before.

She will be bringing in some posters and cards of her work into the lesson. If your child would like to support Kate, then they are welcome to bring in some money on Tuesday 17th May. Cards are £1.50 each or 4 for £5 and A5 posters are £2.50 each or 3 for £5.

I know that Kate Pollard is very much looking forward to meeting all the Year 3 children on 17th May.

Yours sincerely,

Mr Wyatt
