

Easter Holiday Activities Year 4 April 3rd- 20th 2020

Just some ideas of things to do during the Easter Holidays

 <p>Photography</p>	<p>1. Photograph signs of spring using a camera, phone or ipad photograph signs of spring using an app such as pic collage (free to download) see if you can create a collage- (if possible print out) Ideas: blossom, lambs, crocuses, daffodils, chicks etc</p>
 <p>Gardening</p>	<p>2. Plant some seeds in a tray lined with soil or compost. Place in a place with lots of natural daylight and water daily. (or according to instructions on packet) Does not have to be an actual seed tray. (Could be a recycled container) Seed suggestions: peas, beans, sunflower and sweet corn</p>
 <p>Faith & Wonder</p>	<p>3. Go onto St Margaret's Church site and look at the resources for families and children https://www.stmargaretsangmering.church/ There are links to youtube and suggested craft activities.</p>
 <p>Art</p>	<p>4. Use your watercolours from your pack to paint some spring flowers or a baby animal. Or try and recreate this 3 D craft idea from artsonia.com. (pin interest) You will need to use a cardboard tube for your vase. A watercolour and felt tip background is needed</p>
 <p>Construction</p>	<p>5. Build a spring animal using Lego or recycled materials https://www.youtube.com/watch?v=yFBeHd_TtU&safe=true</p>

Nature Watch

6.Listen to "birdsong for beginners" on youtube
Go on a walk and see if you can identify any of the birds from their sounds.

Geography

7.During the summer term we look at "rivers"
Try to find out the places the river Arun goes through. You could use satellite mode on your ipad (apple or google maps) or use a map or atlas.

Science

8.In Science we will be looking at Sound
Let's make a string telephone. (Caution: an adult needs to help you make a hole in the paper cups)
<https://www.youtube.com/watch?v=3yqB2KFwJCo&safe=true>

Conservation

9.In English we will be looking at the rainforest.
Look up some animals that live in the rainforest.

- boa constrictor.
- capybara.
- forest elephant.
- giant anteater.
- jaguar.
- macaw.
- marmoset.
- poison dart frog.

Mountains

10. In the summer term we will also look at mountains of Europe and the world
Research some of the mountain ranges in Europe:
Five Longest Mountain Ranges in Europe
Scandinavian Mountains: 1,762 kilometres (1,095 miles)

- Carpathian Mountains: 1,500 kilometres (900 miles)
- Alps: 1,200 kilometres (750 miles)
- Caucasus Mountains: 1,100 kilometres (683 miles)
- Apennine Mountains: 1,000 kilometres (620 miles)
