April 2020

Dear Year 5 children, parents and carers

We hope you have enjoyed a wonderful Easter break over the last 2 weeks. We were blessed with some beautiful weather so we hope you have been able to get some outside time with your family, as well as plenty of chocolate eggs!

We will be introducing a new aspect to home learning this term called Google Classroom, which will continue into the rest of this school year and beyond once we are back. Hopefully, the children in year five know their email address and password as this is same as the beginning of their Sumdog username (add @stmargaretsprimary.org.uk) and Sumdog password.

Please do email your class teacher using the class email account if you are unsure of these details:

amberley@stmargaretsprimary.org.uk

lewes@stmargaretsprimary.org.uk

Once you have your St Margaret's login and password, and are able access to a computer/laptop/iPad or similar, please assist your child to log in for the first time at www.gmail.com and entering in the email address as the username.

From here you will be able to see your child's email inbox. Please see the guide attached on how to navigate to Google Classroom, and also what other apps available to them, such as Google Drive.

We are very thankful for your help with this, but if you do encounter any problems, please do let us know.

Many thanks,
Year 5 Teaching Team.

To develop a life-long love of learning; to grow spiritually and reflect Jesus in our words and action; to foster self-respect and love for others; to provide opportunities for ALL to flourish; to serve our community; to prepare and equip for an ever-changing world.
