Dear Parents and Carers,

As part of geography work on map reading and compass directions we are planning a visit to Highdown on **Monday 28th March 2022**.

To make the most of the time we have, please deliver your child to teachers who will be waiting in the car park at the top of Highdown Hill between 8:45am and 9:00am to allow drop off for siblings at school first. If possible, please arrange to share lifts. We are asking you to do this, rather than book coaches, so that the trip can be cost-free.

Please be aware that we will be returning to school, on foot, by the end of lunchtime so ALL children will need to bring a packed lunch and a drink in a backpack. The children need appropriate, comfortable footwear and a coat because we shall be walking back whatever the weather. Children should wear comfortable clothes for walking, sketching and exploring!

If any adults would like to join us on this trip, please contact us and arrange a lift to Highdown so that you are able to walk with us back to school.

Yours sincerely,
The Year 6 Team
