16<sup>th</sup> October 2019

Dear Parents/Carers

Space Day  
Wednesday 6<sup>th</sup> November 2019

On Wednesday 6<sup>th</sup> November 2019, all the children in Year 1 will be having an exciting themed Space Day! The purpose of this day is to have a fantastic start to our Space topic.

During the day the children will be taking part in a variety of exciting 'Space' activities. These will include lots of drama work where the children will be imagining that they are in space as well as sharing information about space and famous astronauts.

For this day your child might like to dress up as an astronaut or alien, or wear space themed clothes. The costume need only be simple. The staff will dress up too!

We will be having a taste of some freeze-dried space food! This food is **not suitable** for children with **nut, milk, soy, wheat, gluten or egg allergies**. Please speak to your child's teacher if you require a full list of ingredients.

Please complete the slip below to confirm your child is able to take part in the tasting.

Thank you

Miss Wilson Mrs Hendrick Mrs Love

To: School office – please return before 25<sup>th</sup> October

Re: Space Day – Wednesday 6<sup>th</sup> November 2019

I give permission for my child ..... Class .....  
to take part in the space food tasting session.
