

ST MARGARET'S

CE PRIMARY SCHOOL

ANGMERING

Learning God's Way

Welcome to St Margaret's CE Primary School

St Margaret's is one of the oldest schools in the country but has a very modern outlook. It was founded by William Older in 1680 and since its foundation has grown significantly in size to serve the village of Angmering and surrounding districts.

At St Margaret's, we believe that children grow and learn in a safe, happy and stimulating environment; a place where they are valued as individuals, encouraged to grow in self-esteem and given every opportunity to flourish and reach their potential.

At the heart of our school is our Christian faith which guides our daily life. As we foster respect for one another and our environment and develop tolerance and understanding for the cultural diversity of the world in which we live, we seek to lay the Christian foundations from which children can grow into caring and responsible adults in society.

We value the partnership between home and school. By working closely with parents and carers we aim to nurture a love of learning, a wonder of God's creation and a readiness for the challenges ahead.

Mike Jee Headteacher

“Pupils and parents enjoy the positive learning experiences offered by the curriculum...”
