

Welcome to Year 4!

Year 4 is an exciting year, full of rich learning opportunities. We will be exploring a range of engaging topics across the curriculum giving your children the opportunity to be curious, responsible and resilient learners.

Structure of the Day

Children are collected from the playground at 8:30 and can filter in until the register is taken at 8:40. Children arriving after the gates are closed will need to come in via the school office.

A typical morning will consist of Maths and English. We also have shorter lessons such as guided reading or spelling.

The afternoons are dedicated to other curriculum areas with time for the daily mile.

Children are collected from the green gates when they are released by their teachers at 3:05pm.

Toys

We love to see any items linked to our curriculum topics. However, please do not allow your child to bring in toys from home.

And finally....

We look forward to working with your family this year! Please do not hesitate to contact us if you have any questions or concerns.

The Y4 team

Reading and Homework

Homework will be collected in and sent out every Friday. Homework will consist of: 5 home reads (children to mark with H), weekly spellings with a grid on the reverse to practise and a maths activity. House points will be rewarded for completed homework.

PE Lessons

We have two PE lessons every week on a Tuesday and a Friday. One is an indoor and the other is an outdoor lesson. Please check that your child's PE kit and trainers still fit them, and that **each item is named**. We will send their kit home every half term to be washed and this is a good time to check that there are no missing items.

Playtime Snacks

Please ensure your child has a fruit or vegetable snack for break time as the children have longer until they eat their lunch.

Meet the Teacher

Please join us at 2:30pm on Thursday 18th September for an informal chat and overview of the learning opportunities and routines in Year 4.
