

Hello!

I'm Dan, an instrumental tutor with more than ten years of experience.

I'm looking forward to starting 1:1 piano/keyboard, guitar, bass, ukulele, music theory, and composition/songwriting lessons with pupils at St. Margaret's!

My lessons are centred on three things:

- Encouraging creativity
- Building confidence
- Having fun!

Enjoyment is always the number one priority when learning any instrument. This remains the case whether you're just looking for a new hobby for your child, or hoping to enroll them in formal exams at some point.

Lessons last **30 minutes** and are priced at **£22 per student**, payable in batches each half-term. I keep my prices aligned with Musicians' Union standards, and, for simplicity, they're the same across every instrument I teach.

Lessons will take place on **Wednesdays** (or **Fridays**, if we're oversubscribed).

To sign up, please contact me via email: danpeeke123@gmail.com

I'm looking forward to hearing from you!

Dan

A few extra details you might need:

I also offer and encourage combined lessons, so if you'd like your child to explore writing their own songs while learning guitar, or develop some music theory knowledge alongside their piano tuition, please let me know when signing up.

If your child already has an instrument - great! Feel free to bring it in. If they don't, no problem - I have instruments they can use for lessons.

I also have plenty of sheet music that I can provide for initial lessons. If you have something in particular you'd like them to learn, or if you want them to work toward formal gradings (ABRSM or Trinity), then please let me know so that we can discuss options. If practising at home is a possibility, I can recommend books that can further support your child's progression.

I have a valid enhanced DBS, an NSPCC safeguarding certification and public liability insurance. My safeguarding policy is available upon request.
