

Dear Parents and Carers,

This half term, Year 5 has been exploring the question, ***“What is revealed in the light?”*** Through art, the children have created beautiful impressionist style paintings, stained glass-style collages, 3D foil sculptures, clay luminaries and, most notably, shadow puppets.

Alongside the Create exhibition on Tuesday 16th, we would love to invite you to celebrate at **Y5's 'Light of the World' event on Thursday 18th at 4pm- 4:30pm**. Children will arrive at 3:55pm to prepare and set up. This special event will showcase the children's hard work across English, Music, Faith and Wonder, and Art, culminating in a narrated shadow puppet performance that brings their project question to life. In doing so, the children will share a Christmas message: that Jesus is the light of the world, coming to bring hope, love, and guidance to all. Their work reflects our school values of *shining brightly and being a city on a hill* (Matthew 5:14), showing how we can reflect God's light in our lives and bring joy and hope to others at this special time of year.

Prepare to step into a journey of wonder as the Nativity story unfolds before your eyes, in an immersive and magical way through shadow and light. Let the children's creativity guide you, ending the term with a luminous celebration of Christmas joy and wonder!

Thank you, as always, for helping our children shine their brightest this festive season.

Please let us know if your child won't be able to attend via email by Friday 12th and we can plan for this accordingly.

With warm regards,

The Year 5 team
