6<sup>th</sup> March 2026

Dear Parents and Carers,

## **Re: Year 5 trip to South Downs Planetarium, Chichester**

We are really excited for our trip to South Downs Planetarium in Chichester next Wednesday (11<sup>th</sup> March), and the fantastic opportunity it will provide the children to experience the wonders of the night sky and explore our discover project question: *How do we know the unknown?*

Below are few practical reminders about the arrangements for the trip.

**Drop-off / pick-up arrangements:** Please drop off your child at **Angmering Station at 9:10am** and then from **Angmering Station at 2.40pm**.

Please note, even if your child has permission to walk home from school, this does NOT apply to walking home from Angmering Station. If you would like your child to walk home from Angmering Station, please contact the School Office to give specific permission for this one-off circumstance.

**Clothing:** School Uniform, including a coat for the short walk between Chichester Station and the Planetarium.

**Items to bring:** Packed lunch and water bottle in a small bag (bearing in mind that your child will need to carry this on the walk to and from the Planetarium). Don't forget to cancel your child's Chartwells school meal if you pre-order.

### **Items NOT to bring:**

- Mobile phones (apart from in the exceptional circumstance of your child having specific permission to walk home from Angmering Station – see above; in this instance, your child's phone would be collected by school staff and handed back them at the end of the day)
- Cameras (staff will take pictures to document our experience using school devices only)
- Money
- Toys or games

Thank you for your support with providing this inspiring educational opportunity for the children.

Kind regards,

Mrs Hills and Mr Carton
