Living Our Values:

Our school uniform forms part of our identity as a school. Through our values, we aim to shine brightly – making a difference in our school, community and the wider world. By taking a pride in our school uniform, this enables us to shine outwards to our community, showing the high standards that we hold our children to here at St Margaret's. Our uniform fosters an inclusivity by levelling the economic playing field and creating a shared identity, shifting focus to character and learning, encouraging our children to shine brightly as the person God intended them to be.

Our school uniform gives our children a sense of belonging and pride in themselves and the school as well as contributing to the working atmosphere. All children must wear the correct school uniform according to their Year Group.

Please note shoulder length hair or longer, should be tied up and bows/bands/clips must be discreet and in the school colours.

We ask that all items are clearly named to support with reduced lost property. Unnamed items will be kept for a few weeks and **will then be disposed of at the end of each half term.**
