WB: 8th June 2026

Dear Parents/ Carers,

Year 6 have been given the opportunity to learn about money in an exciting and engaging way, in a real-life context. The children will have a chance to become entrepreneurs and set up their own businesses!

The children have been working in small groups and given £10 by the school for them to invest in items or choose services to sell and provide to the school community. The aim of the Tenner Challenge is for the children to make a profit and return the £10 investment to the school. Any further profit will be used to buy the year group a treat for to celebrate their time at St Margaret's. The more profit, the more exciting the treat can be!

In lessons, the children have been working hard to finalise their products and services, conduct market research and create advertisements. They are excited about their selling their businesses and they have a wide range of products and services for sale including:

Biscuits, cupcakes and brownies	Slime	Face Painting
Sweets	Bracelets and accessories	Car washing- more information to follow
Shortbread	Tattoos and stickers	
Candyfloss	Crochet and pipe cleaner flowers	
Chocolate strawberries and fruit salad		
Cookies		

Children in the rest of the school will be given slots through the afternoon on Friday 3rd July to come and look at the items that are for sale at the Year 6 stalls. Then, from 15:00 onwards on **Friday 3rd July** and **Thursday 9th July**, on the lower playground, the market stalls will be open for business to parents, carers and pupils. Items range from 50p to £3 and there is something for everyone! Please come along and show your support to St Margaret's very own entrepreneurs.

With kindest regards,

All the pupils and staff in Year 6
