Poster Competition

We are looking for some new anti-bullying posters to go around school. Your poster needs to have a clear message, be easy to read and also be eye-catching.

You could choose one of these themes:

- Break the silence – the importance of speaking out
- STOP – poster – remind us what bullying is 'Several Times On Purpose'
- Show different kind things children could do
- Tell children what to do if you are a bystander and see bullying
- Remind children what to do if they feel bullied.

Winners will have their posters displayed around school, get 10 house points and be awarded a certificate in Collective Worship. Everyone who enters will get 5 house points. Hand your posters in the office by Tuesday 24th November. Please check for spelling mistakes.

We can't wait to see your amazing designs!
